Hello *World*

Testing adding text. Keep in mind that this works like array.

This text is going by defaults. This will continue... and we can continue working like that.

Following text written in polish with default font Verdana that we set in the beggining:

Polski tekst ma się dobrze, tak dobrze, że aż za dobrze
omatko

- Test
- 2nd
- ąłęć - unicode with Verdana must work **and bold**
- ąłęć - must work and bold
